# A Smarter Way to Secure Your Space

Verkada is a fully integrated hardware and software solution that strengthens safety while simplifying ownership. Designed with ease of use at top of mind, Verkada's five product lines provide unparalleled visibility through a single pane of glass.

Verkada Command

Connect all of your Verkada devices to the intuitive, cloud–based Command software platform to easily manage security at scale.

- Unlimited user seats
- Remote access from any browser or mobile device
- Customizable level of site permissions
- Automatic updates and new features
- Access to top–rated mobile app
- Unlimited cloud archiving
- Global enterprise technical support and documentation

Video Security

Hybrid cloud cameras offer onboard storage and edge–based processing to reliably deliver insights in real-time.

Sensors

With a collection of eight onboard sensor readings, monitor the health and safety of all environments.

Access Control

Manage doors, credentials and users across sites at ease with global access and active directory integrations.

Alarms

Catch and respond to break–ins with cloud–managed intrusion detection and 24/7 professional monitoring.

Guest

Personalize the check–in experience for all types of visitors while integrating with cameras and access control.

Mailroom

Streamline mailroom management through a simple mobile app, and easily safeguard assets with Verkada's camera integration.

Loved by all teams

IT professionals

Zero-touch maintenance with automatic security updates and end-to-end encryption to protect against known and emerging threats.

Security & campus safety

Get SMS alerts of meaningful events so teams never miss a beat — without monitoring around the clock.

Facilities & operations

Gain actionable insights to protect people, assets and facilities, while ensuring efficiency and productivity.

One unified security solution

"Verkada develops, builds, owns, and supports all of their hardware and software. This allows us to move towards a centralized system where all our physical security devices live on one platform and speak to each other effortlessly."

Patrick Allen
Director of Network Services
Dairy Farmers of America

Seamless integration across devices

"I love automation. What stood out about Verkada was the native integration between video and access control, along with the ease of use and management."

Ash Hussain
IT Lead
Belron International

Evolving, leading-edge technology

"Verkada is a modern solution that's innovative and constantly evolving, adding new features and functionalities — you don't realize what you're missing until it's there."
